To help our children keep abreast with the class and to be more responsible, it is imperative to teach them the importance of revisiting their notebooks and complete follow up work. Please go through their notebooks with them and help them complete the missed work and write corrections.

Please refer to the writing and editing checklist that has been pasted in the beginning of the notebook to help enhance their presentation skills.

We look forward to your support in helping our children keep up with their academic work. To make our learning an enriching experience, we seek your cooperation and support
