New Delhi

31st March, 2020

While you are at home.....

We are missing you, dear children! We are missing the class routine, Circle Time and discussions that we used to have with you all!

The time that you have at home right now is precious. Why not use it to do the things that you have always wanted to do? Why not use this time to explore the world of technology? Why not be creative and do some fabulous brain gym exercises?

There are a few links and suggested activities that we would like you to go through under the guidance of your parents. Hope you have fun doing them!

If you come across something interesting which you feel your friends will also benefit from, make note of that and you can share it with the class once we are back to school!

Stay healthy and stay safe.

Love

Suruchi Maám and all your teachers at Junior School.

Class 3
