4 Jan 2021

An exciting opportunity to enrol your child in grades II, V and IX.

Sanskriti School provides a nurturing environment that enhances a child's overall development. The focus is on building a child's physical, cognitive, social and emotional skills within a vibrant and multisensory environment across all classes. Along with a variety of activities ranging from Visual and Performing arts to IT and a diverse sports activities, from Class IX students can also join clubs – Physics club, IT Club, Interact , Heritage, Photography and many others to hone their skills and pursue their interests. .

Please visit the details in the school website under **Admissions**, for further information.
