ATL Space Challenge 2021

AIM has launched a very exciting challenge the **ATL Space Challenge 2021 for ALL students of Classes VI- XII (ATL and Non-ATL) across India**. The Challenge has been launched in collaboration with ISRO & CBSE and is an initiative to celebrate the nation-wide Azadi Ka Amrit Mahotsav to support the young innovators and introduce them to newer technologies and skills.

Students can create a solution that can be implemented and adopted leveraging technologies such as:

1. Explore Space
2. Reach Space
3. Inhabit Space
4. Leverage Space

Link to the Space Challenge Portal: <http://aimapp2.aim.gov.in/atlspace/>

Last Date for submitting the Applications has been extended to 7th October 2021

Gratification includes:

1. Special prizes by CBSE to the top teams
2. Special prizes by ISRO to the top teams
3. Certificate of Achievement to ALL the top teams branded by AIM, ISRO, CBSE
4. Certificate of Participation to ALL the participants branded by AIM, ISRO, CBSE

For detailed instructions on how to submit the entries, kindly read the ATL Space Challenge 2021 – Terms and Conditions available at:

http://aimapp2.aim.gov.in/atlspace/download/ATLSpaceChallenge2021_T&C.pdf

Following instructions are for (ONLY) Sanskriti School Students

If you are interested and have a team of 2 or 3 students, get your ideas together!
Go through all the links shared above, identify the problem statement and the innovation solution.

You need to submit the following two:

- Upload ATL Space Challenge Innovation - Concept Document(pdf/jpg/jpeg/png/doc/ppt)
- ATL Space Challenge Video submission(YouTube link)

If you are ready to work on this and submit before October 7, then send a mail for registration details to Ms Sangeeta Gulati at sangeetagulati@sanskritischool.edu.in
