- Sanskriti school believes in **INCLUSIVE EDUCATION** & **LEARNING**, critical to understand differences, respect them and be accomodative.
- **Co-Curricular activities** are an integral part of our school
- **No Tuitions**
- This year we have added **another section** of class 4 Class 3 has six sections. Class 5 already has seven sections
- **Children must pack their school bags according to Time Table. Parents must ensure that bags are light and clean. Please avoid trolley bags. Besides being expensive, they are not convenient for children to drag especially up and down the stairs. Children are prone to accidents.**

THE CIVIL SERVICES SCHOOL

- **Take out time for your children**
- **Don't live your dreams through your children**
 - **Every child is unique—don't compare. Know your child's individual ability.**
- **Monitor and supervise the time spent by your child watching TV or playing on the computer**
- **Give rewards judiciously – and also be firm**

THE CIVIL SERVICES SCHOOL

THE CIVIL SERVICES SCHOOL

FOR AN EASY TRANSITION.....

- 1. Regulate the sleeping time. Not later than 9 pm**
- 2. Proactively encourage playdates with class mates so that they can engage in small groups and develop interpersonal and social skills .**
- 3. Be the Listening ear**
Give children the opportunity to talk about what happened in school.... Do not micromanage and ask for details on every aspect of their day. They will share when they are ready to.

THE CIVIL SERVICES SCHOOL

4. Ask open ended leading questions rather than specific ones

Eg: Try asking what was the most interesting part of your day

5. Understand that the students are trying to settle back into routine so may be tired and exhausted... don't read too much into it

6. Help them identify and develop activities that they do alone and help them to relax

eg: listening to music, lying down for 10 minutes with their eyes shut.

THE CIVIL SERVICES SCHOOL

7. Do not use Whatsapp groups to voice concerns that can only be handled at a school level. It only generates anxiety among the group members which in turn gets passed on to the children. Instead please reach out to the class teacher so she can address your concern.
