

### **Academic Orientation - Class 1**

Academic Orientation for Class 1 was held on 12th April 2022 from 8:00-9:30 am. The parents of Class 1 were welcomed by the class teachers in their respective classrooms. Thereafter, they were acquainted with the general rules and regulations followed by the school. The planned agenda of activities and follow-up of the curriculum were listed out. The concepts to be covered in each subject were briefly discussed. To familiarise the parents with the teaching methodology, a few concepts were also demonstrated by the class teachers. Along with this, the class teachers also discussed the importance of enhancing the emotional and social skills of the young students. Overall, it was a pleasant and an informative interactive session with the parents.
