ALOHOMORA- an escape room simulation
The Mathematics society St. Stephen's college,Delhi

The Mathematics society St. Stephen's college,Delhi is proud to present ALOHOMORA- an escape room simulation. A room full of adventure, where you enter by your choice but can exit only if you make the right decision !

We invite you to embark on a journey in a virtual fantasy land and use your mathematical spells and powers to save the world from the terror of an evil spirit

If you think you have outgrown full-time education...Then it's time to test your talent in the virtual world !!

But to save the world you first need to enroll in the magic academy.

Save the date for the commencement of Batch 2020

Date: 18th November 2020
Timing: 4 PM onwards
Platform: Google Forms
To Register: Click here

Guidelines for Muggles (Participants):
