---

**BRICS Math Online Competition 2020**  
**For students of classes I to XII**

*The purpose of the competition is to cultivate an interest in Mathematics for students and develop their logical reasoning skills, as well to unite children from different countries.*

**The Format**

The competition is held online on the website [bricsmath.com](https://bricsmath.com) and is completely free of cost. To take part in the competition students need to have access to a computer or tablet with a modern browser and Internet connection. The fun and interactive tasks of the competition are designed in a child-friendly game form. The tasks get students to think outside the box but do not require any prior knowledge of Mathematics syllabus or any preparation.

**Preparing for the competition**

[April 22–May 22, 2020 \( Preparatory Round\)](#)

The preparatory round consists of the best tasks of previous years' competitions and provides an opportunity to practice. The results of the preparatory round will be available on May 22.

**Trial round : July 21–Sep 13, 2020**

**Main round : 60 minutes-Sep 14–Oct 30, 2020**

Parents may register their ward directly on the website <https://in.bricsmath.com/>
