

Dear Parents

Greetings!

"The best way to predict the future is to create it"

- Abraham Lincoln

Career choices are life choices and one must take them seriously. Parents continue to be the key influencers of career decision in their child's life. With this view, Sanskriti School in collaboration with Envision India Edu Services has organised a **Career Orientation Webinar Grade X students**. Ms. Jyotsna Bharadwaj, Founder Envision India Edu Services has conducted the **Career Guidance Program, psychometric testing and career fair for students of Sanskriti school for the past 6 years**.

Ms. Jyotsna Bharadwaj is a progressive educator and has been associated with the field of education for many years. She is a master trainer with CBSE, Macmillan Education and ICAE. She is also a resource person with IIFT, engaged with training programs with the Ministry of Labour and Employment. She has also conducted capacity building programs for Principals and Vice Principals of JNV and KVs under the aegis of the HRD Ministry. She specialises in orientation workshops for students and parents on scope of streams and current trends, psychometric analysis of interest and aptitude, one to one counseling sessions, industry mentorship programs and career fairs.

As part of this program, you are invited to attend the Career orientation webinar to assist your child make informed career choices and stream selection.
