

Celebrating Art Days at Junior School

28th and 29th October were celebrated as Art Days in Junior school. The purpose of the Celebration of the Art Days is to highlight our students' creative ambition and drive and to give them a chance to create art of their own. They were shown a demonstration video on PAPER BATIK ART. And then given time to create their own art work. The children from Nursery upto class 5 all made amazing artwork. It was very interesting to see how children were inspired by an idea.
