

Junior School celebrated Children's Day on 12th of November 2021. It was a day especially planned by the teachers to make their dear children feel special. The programme commenced with a message for our dear children by our Principal, Mrs. Richa Sharma Agnihotri. There were lots of games and activities planned for the children. The highlight being the programmes put up by the teachers. Students were thrilled to see their teachers sing, dance and enact for them. It was truly a day to celebrate those who bring so much joy to us- OUR CHILDREN.
