# ALPHA CLUB
## Grade 6 Activity  2 ∞ & Beyond

The first club day of the session 2020-21 was held on 17th July,2020. Students of all grades participated enthusiastically in various activities organised by clubs of Sanskriti School. Alpha- The Math Club, organised a quiz competition on quizizz for students of grade six.

Students participated with great enthusiasm as we endeavoured to deliver the best experience possible to them through this new mode of online teaching. Despite technical difficulties, the students didn't lose heart. Their enthusiasm levels and patriotism for their house showed as they cheered each other on in the chats. There were some close battles between houses for the first position. As soon as our quiz ended, we heard students asking for more such activities and wondering why there was just one.

Overall, it was an exciting and different experience for both the students and members of Alpha who were conducting the quiz.

In terms of scores, Prakash bagged the first place with 504,987 points, Prayas followed close with 495,575 points, Pratigya with 468,209 points and Prakriti with 385,433 points.

# Miiraas -Heritage Club

# The Royal Improv House

The Royal Improv House was the club day activity organised by MIIRAAS- The Heritage Club on 17th July, 2020 for Grade 7. The activity revolved around some of Jaipur's hauntingly beautiful historical sites. In July, 2019, UNESCO World Heritage Committee inscribed Jaipur the 'Pink City of India' among its World Heritage Sites. In celebration of this day, Miiraas- the Heritage Club organised a Club Day activity for the 7th graders. In this activity, each house was given a prompt 2 days in advance, related to a haunted historical site of Jaipur and they had to present an improvised play based on the prompt. Students were given the creative freedom to make up characters using their own imagination and work around the prompt in any way.

On the day of the competition, the houses were given 15 minutes to prepare. During that time the club talked about the event and its relevance with the audience. Following this, each house presented their 5 minute plays. The plays were judged by Ms. Minakshi Khemka and Ms. Aditi Acharya. The criterian for judgement were as following
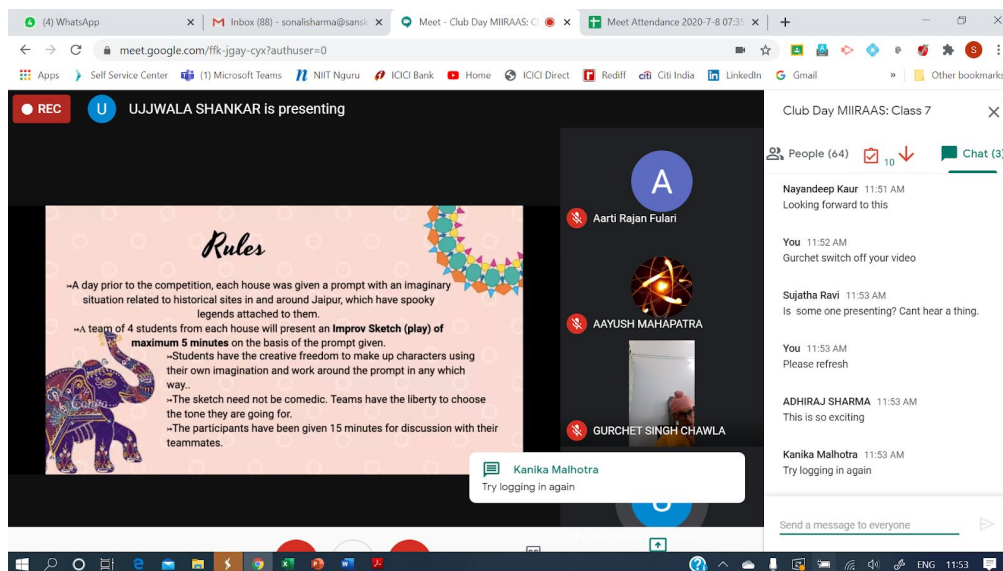

- Historical Research and Relevance-5 marks
- Creativity-5marks
- Time limit- 5marks
- Flow and fluency- 5 marks
- Teamwork and Coordination - 5 marks

Combining the scores by both judges, maximum marks were 50. Each house took part in the event gracefully and made the event a complete success. After all the houses had presented, the club also organised a short quiz for the audience, in which all students participated enthusiastically.

The results were as follows

1. Prakash house- 47

 2. Prakriti house- 46

3. Pratigya house - 44.5

4. Prayas house - 37

 Regardless of the results, we believe that each house was unique in its own way. Here are a few screenshots of the event

There had been a devastating dust storm in Nahargarh a couple of months ago. Some buildings, including minor parts of the Nahargarh Fort were affected by the storm . A construction team, led by two clueless rookies, character 1 and character 2, is sent to Nahargarh Fort for its reconstruction. But whatever progress they make in their construction each day, it mysteriously disappears the next day. All out of options, character 1 and character 2, go to the village elder (character 3) to solve this

# Club Day Activity Report
## EXPOSURE CLUB

## Grade- 8

The first edition of the online club day was conducted on 17th July, 2020. Students of grade 8 eagerly participated in the 2 activities conducted by Exposure, the photography club. The first activity organized by the club was "lockdown photography". All students enthusiastically participated and sent diverse and creative pictures clicked by them during the lockdown due to the pandemic. The students also included innovative captions with their pictures. The second activity organized by the club was an insightful quiz on photography, its technical and creative aspects. Students thoroughly enjoyed the quiz prepared for them and many of them were aware of most of the terms of photography. The students competed hard to bag the position of top 3 and found themselves engrossed in the quiz prepared for them. All students were joyous and were extremely inquisitive and interested to learn more about photography after playing the quiz. Prakash house bagged the 1st position, followed by Prakriti house at the second position, and Pratigya house at the 3rd position. Overall, both the activities were completed successfully, and the students did not face any technical difficulties.

Some pictures clicked by the students during lockdown-

When the world is panicked,sit calm and express your feelings through words.
"Read more Write more."

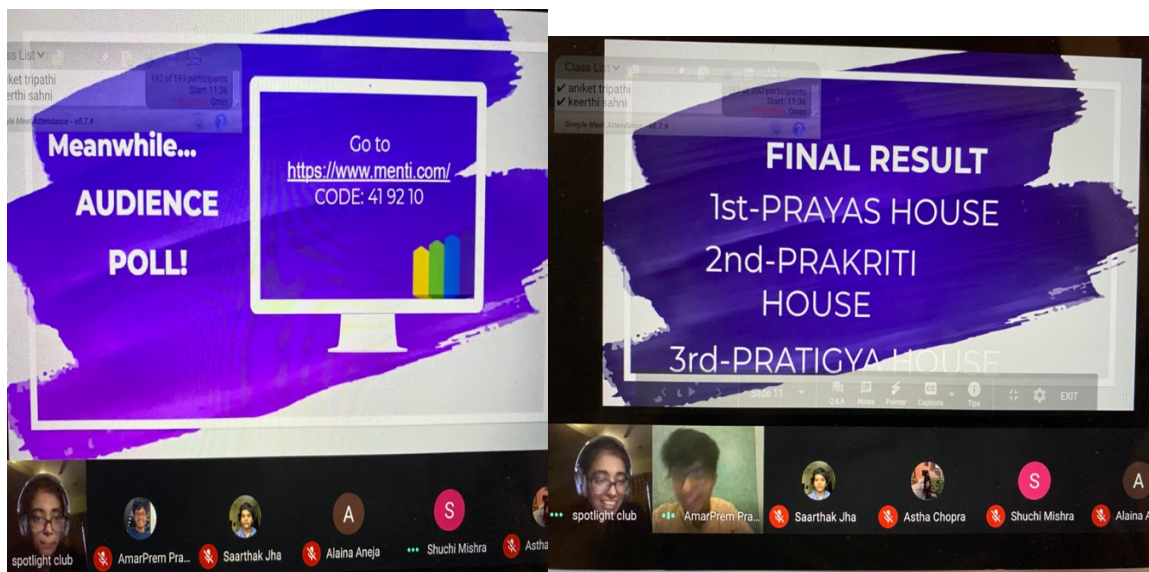

"Life doesn't always throw lemons, sometimes it throws oranges too. Enjoy while you can"

# Spotlight: The English Debate and Theatre Club

**Spotlight: The English Debate and Theatre Club** organised a first ever online Turncoat Debate on Friday, 17th of July 2020 for grade 9 on the theme of **Cybersecurity.** One student representing each house and the rest of the students of grade 9 as the audience participated in this event. It was a new and enriching experience for the students which also helped in creating awareness about cybercrime and cyber safety. The topics included the consideration of social media accounts during applications and investigations, the sharing of images between consenting individuals, the demerits of cutting edge technology and the effect of social media on our social behaviour. An audience poll was conducted as well to keep all the viewers and participants engaged. All the houses performed exceedingly well with **Prayas** House bagging the **first** position, **Prakriti** House in **second** position and **Pratigya** House coming **third.** The event by adjudged by Ms. Shuchi Mishra and Ms. Astha Chopra.

# OVERTONE- THE MUSIC CLUB
## CLUB DAY ACTIVITY

"Overtone- The Music Club" organised the Club Day Activity for the 10th Graders on the 17th of July.

Each Group (Representing 1 of the 4 Houses) had been given the time to write, compose and record a Song on Quarantine during the Summer Break. They had also been assigned specific Genres.

These were presented in front of the entire 10th Grade on the 17th of July on  Google Meet, following a brief speech by the Vice President of the Club.

This was followed by a fun Quiz for both the Participants and the Audience.

The event ended with the declaration of the Results.
They were as follows:
1. Pratigya
2. Prakriti
3. Prakash

Overall, the event was extremely fun and an enriching experience for all those who attended it.

# Club Day Activity Report – Grade 11

## PROJECTBETA

ProjectBeta organized an E-Poster Making Competition with the theme as "Remote Learning". They had to make the posters through Canva. Each house had to have a poster from each section. This was an offline activity.

ProjectBeta also held an Online activity - Cryptic Hunt : Betatest - an online equivalent of a treasure hunt that required students to scour the internet for answers to the given question - through a website they created: projectbeta.xyz. The hunt was an exciting fest, with more than 150 students participating, and students learned to use a variety of online tools, like cipher encoders/decoders and methods of data encryption and unorthodox forms of data representation such as barcodes, QR codes, etc. At the start of the hunt, no house seemed to have an edge, however, that changed quickly and the Pratigya House took the lead for the next few levels. However, the last question stumped them and allowed Adya Gupta of 11D to break through and take the hunt home.

# Viridian Club Day
## Activty:  SOP- Covid 19

Viridian Club conducted the Club Day Activity for the students grade 12 on 17th July.  In the wake of the horrific pandemic that has swept the globe this year, lifestyles have changed to a great extent. As we move forward, hoping for a better future, we must learn to follow the new rules of this society and fight Covid 19, using our intellect and taking the requisite precautions. The activity called the students of grade 12 to present  a Standard Operating Procedure (SOP), if school was to reopen in the middle of the pandemic.

Students presented varied innovative ideas with regards to entry , exit of children, canteen management, sitting in classrooms,   club activities, assembly, sports and annual day.. Procedure to be followed by staff , students  and teachers at various levels.   Their presentations also gave such newer ideas which will also be beneficial for the school authorities to plan to reopen.   Prakriti house emerged as the winning house.
