

Trip to Dilli Haat

On 24th Jan 2020, Sanskriti School organized a trip to Dilli Haat, INA for Learning Centre. The enthusiasm within the group was high and at 9:40AM, 32 children from class 5 to 12, along with 11 educators and didis got on a bus for the venue. It was an experience for the kids to remember.

It was a great place for kids to learn about the Indian culture, handicrafts and ethnic cuisine and a delightful shopping experience to buy exquisite jewellery and handicraft items. The craftsmen demonstrated their artistic skills and the students got an opportunity to witness a pathachitra artist at work and see paintings done on palm leaf. They savored the delicacies of different states and basked in the sun with their peer group.

The children visited the APJ Abdul Kalam memorial which is dedicated to the life of the former Indian President and Scientist. They saw the paintings and personal belongings of the missile man of India.

It was a day filled with fun for both students and teachers.
