

Event: Rocksport Adventure Camp

Date: 6th-7th Feb 2020

Classes: 2, 3, 4 & 5

Venue: School grounds

It's so well said, "Little adventurous moments, make a child's life great". The students of grades 2 to 5 experienced some fun and adventurous moments on 6th and 7th of February 2020, at the Rocksport Adventure Camp organised in the school grounds.

Since morning the children were enthusiastic about participating in the Rocksport Camp. They energetically shouted slogans along with their instructors and wholeheartedly participated in the fun activities organised by Rocksport.

Our young adventurers participated in junior rock climbing, the Burma Bridge, net climbing, balance control activities, zorbing and the super exciting zip line. Some of the teachers also tried their hands on a few activities and increased the fun quotient for their students.

Children ate breakfast, lunch and healthy snacks together with their classmates and ensured that they didn't litter their school grounds.

On the whole, it was a day well spent, enjoyable and calorie burning!
