SUB : Educational and Exchange Trip to France in May, 2020

Dear Parents,

It gives me great pleasure that our school is initiating a ten day educational cum exchange program to France for all students who have opted for French as their foreign language option. The offer is also open to other students of grades VII, VIII, IX and X. This Indo-European Cultural Exchange Program' has been planned by Sanskriti School in association with Frehindi Education Pvt Ltd. under the patronage of Embassy of India in Paris, in the month of May 2020. The primary purpose of this exchange program is to foster global visionaries and leaders who will be able to comfortably operate within global constructs and will inevitably become true Global Citizens. The exchange will provide the students required tools and guidance to broaden their global perspective.

As part of the programme students will attend classes in a school at Le Creusot an hour and 30 minutes away from Paris by TGV. They will be provided with accommodation at safe secure host families homes and international hostels experiencing their daily lives, like what they eat for home-cooked meals, what they do for entertainment, how they travel etc. This programme I am sure will provide a unique learning experience.

Benefits of students exchange:

1. Gaining experiences and maturity by venturing out of one's comfort zone
2. Develop self-confidence and a sense of self-reliance.
3. Enjoy the excitement of living in another country with the support and security of host school.
4. Make new friends that last a lifetime and understand the world through "New Eyes".
5. Experience a new and different approach of learning.
6. Gain Greater knowledge and understanding of global issues.
7. Become aware of career options-.
