GRADE VI POCSO WORKSHOP

Child sexual abuse is a major concern that is increasing day by day in India. It is thus important to create the needed awareness in children about the possible threats of sexual exploitation that may manifest both offline and online. Sensing that our children are spending a lot of time on the internet making them highly vulnerable, the Counsellor will be talking to the students of grade VI about their safety, to help them identify sexual abuse in cyberspace, about the POCSO Act (Protection of Children from Sexual Offences Act, 2012) and how sexual abuse can be prevented.

Please find the details of the session below :-
