

Indian Education System : Opportunities & Challenges

Tapping into the right opportunities for a successful career is really important. But for that, you need to be well prepared and have a thorough understanding of the Indian educational system.

To give you better clarity about the marking pattern, entrance exams, and admission structures in both the private and government universities, Sanskriti School, Chanakyapuri, in collaboration with Mindler brings to you an insightful webinar, where you will get all the updates helping you to build a robust profile.

The details are as follows:

Day: **Tuesday**

Date: **July 13, 2021**

Time: **1:30 PM-2:30 PM**

Audience: **Grades XI and XII**

Link to register : **sent by class teachers via your section's google classroom**

So, don't miss this webinar, and get yourself a chance to have an in-depth insight towards taking the right career decision.

NOTE: It is important for students to register prior to the session.
