“STEELLUN NITR” , the ***Official Material Advantage Chapter of NIT Rourkela*** , is back with its flagship event, ***GROWING INNOVATORS*** . Growing Innovators is a K-12 event organized for students of class 9th, 10th, 11th, and 12th meant to stimulate the minds of young students with thought-provoking topics to pique their scientific curiosity.

The third edition of Growing Innovators will be an ideal forum for the students to grab the opportunity to imbibe scientific knowledge and take part in exciting competitive events.

So do join us for the event to learn about the recent developments in the field of metallurgy and material science and have lots of fun.

Dates : October 2 & Oct 3, 2021

Interested students of classes IX - XII can read more details about this event at this [link](#)
