

Gurnoor Suri 12 | achievements

Gurnoor Kaur Suri of Grade 12, has reflected the zeal to go beyond the curriculum which has resulted in the publishing of her two research papers. Entitled, Empowering Women Through Better Emotional Intelligence, and Rethinking Socialization for Students for Students during Covid-19: Techniques and Strategies, her papers have been published in the prestigious IAHRW International Journal of Social Sciences Review and International Journal of Education and Management Studies respectively. She also asserts the role of a budding youth activist as she has successfully launched two acclaimed social ventures. Her work in the field of social activism has been validated by the publication of her impact story on various social media portals including interviews by media agencies.
