

Junior School Celebrates Sanskriti 's Birthday

Birthdays are always special and when it's our school 's birthday it becomes an even more special day.

The day started with motivational and inspiring address by our Chairperson Ms.Pammigauba and our Principal Mrs Richa Sharma Agnihotri. All students from Nursery to Class 5 took part in various activities and games to celebrate this day.

The young ones enjoyed ‘Cooking without Fire’ – where they became chefs and enjoyed decorating and eating cakes, sandwiches, chocolate pops and bhelpuri . Students of Classes 3, 4 and 5 had a special assembly after which they played various games and showcased their talents.

The sounds of ‘HAPPY BIRTHDAY DEAR SANSKRITI’ filled the virtual classrooms as the day was celebrated in the true 'Sanskriti ' spirit.
