

Katha Utsav: Results

Katha organised its Annual Writing Competition, Katha Utsav in the month of December. Selected students attended a 9-day intensive session mentored by experts in the field of creative writing, both in prose and verse. On the 10th day, the students participated in Challenge Grounds: Battle for the Best

Sanskriti School is proud to announce that three of our budding writers were selected at the final stage. The pieces written by Nishka Choudhury (8D), Aashna Gupta (10C) and Antara Yogeshwari Roy Tripathi (11G) were selected by the jury. These children will be awarded the KATHA National Writers' Workshop Grand Prize Certificate and will get a chance to get their stories featured on Katha's digital platforms.

We congratulate the three writers and hope they continue to achieve in their chosen fields and inspire other aspiring writers in the future.
