Dear Parents

In light of the exponential increase in the number of Covid-19 cases and in response to the request received from the Parent-Teacher Association, the school has decided to close with immediate effect. The summer camp as well as the extra classes/ remedial classes planned both for junior, middle and senior school students have been postponed. They will be conducted 27th May onwards. Please note that the holiday homework for all the subjects will be shared this week in the respective Google Classrooms. Junior school please see Parent login. Moreover, extra worksheets and resources will also be shared with students availing parallel and remedial support.

We urge you to take all necessary precautions and stay safe and healthy.

Warm regards

Richa Sharma Agnihotri
Principal.
