## XXX SHRI R.S. NIAMAT RAI MEMORIAL CONTEST OF INVESTIGATORY PROJECTS IN MATHEMATICS 2021

December 7, 2021

**Heartiest Congratulations** to our team of Anhad Singh Ahluwalia (12-A), Animish Murthy (12-B), Dhruv Jaiswal (12-B), and Shantanu Misra (12-B) for winning **Second position** in the prestigious Niamat Rai Investigatory Projects Competition. The team competed against 10 shortlisted schools of Delhi& NCR.

This prestigious competition held by Springdales School, Pusa Road invites innovative thinkers to use mathematics to resolve problems faced by society.

For this year's project, Sanskriti's team worked on **Modeling Medical Addiction**. The team came up with certain rehabilitation strategies, obtaining data from medical professionals and rehabilitation centers.

Their work can be viewed at this [link](#)

**We are proud of all of them!**
