

**SANSKRITI SCHOOL**  
**Dr. S. Radhakrishnan Marg,**  
**New Delhi**

---

April 15, 2021

Dear Parents

We hope that you are safe and well. The academic session 2021-2022 has begun and it is wonderful to feel their positive energy and share their enthusiasm to learn and grow. We would have loved to see you in the school's auditorium but for now, we will be making use of the virtual platform to interact with each one of you.

An orientation session for parents with children in the Junior School has been scheduled for **Saturday, 17 April, 2021. Classes 3, 4 and 5** will have their session from **9:30 am to 10:30 am**. The session will be conducted via a live stream. **The link to the live stream is shared below.**

This session will be followed by an interaction with the class teachers. **(10.30a.m. - 11.00a.m.)**. **The link to the Class Teacher's classroom will be shared in your message box .Please login for it.**

Parents would also be familiarised with the structure of academic and co-curricular activities in the Junior School. Life skills that will equip our students to deal with these trying times will also be highlighted.

We look forward to your cooperation and support. Stay safe.

Warm regards  
Richa Sharma Agnihotri  
Principal
