

Sanskriti School participated in the Constantia competition held by La Martiniere College, Lucknow which was organised from the 25th to the 30th of October. Our team to the Passepartout event secured the 1st position. The participants were required to simulate a hypothetical tourist agency and develop a tourist campaign on a city, which was common to all teams. A warm round of applause for our students!

Srishti Singh - 11-D
Kabir Talwar - 11-C
Antara Vadhera - 9-E
Navya Singh - 9-E
