SANSKRITI SCHOOL OPEN ATOMIC ARENA

Sanskriti School Open Atomic Arena will be conducted on December 21, 2020. As the name suggests, the tournament is open for all, irrespective of house, class, etc. This is an initiative to popularize variant chess forms in the school. Please fill this google form to register. Create an account on lichess.org, if you don't already have one.

Tournament Details

Tournament link : https://lichess.org/tournament/7X4nDJW9
Password : sanskriti2020
Start Time : 21 December, 2020 @1530
End Time : 21 December, 2020 @1600
Duration : 30 minutes

Note that the time control is 3 + 0, meaning each player will have 3 minutes, and there is no clock increment.

Atomic Rules

All rules of standard chess apply except:
- King cannot capture an opponent piece.
- Capturing a piece causes an explosion that kills all non-pawn pieces in the adjacent cells
- Kings can stand on adjacent cells
- Any legal move that can cause the opponent's king to die in an explosion (Rule#2) is allowed even while in check.
