Dear Parents

Over the past one week we have ensured that children's learning is not hampered due to untimely closure of schools. We have been regularly sending study material as per the schedule given to you earlier.

Taking into account the fact that the country wide lockdown has been extended till 3rd May to contain the spread of COVID 19, we will continue to send work as we were doing previously. We have tried to incorporate changes based on the feedback of parents.

Nursery:

1. Will receive a list of fun activities and activity links. This will be mailed to the parents on their school ID.
2. Feel free to do these activities with your child as per your convenience.
3. A Google Hangout session will be held every Friday at 12:00pm with the class teacher. The link will be shared with the Parent Rep a day before.

Prep to Class 2:

1. Will receive daily activities and links in the school ID of parents.
2. In case you are having any issue with accessing your school ID, please write a mail to it@sanskritischool.edu.in for support.
3. These are daily-suggested activities. Please do them at your child's pace and your convenience.
4. The activities for the day will be uploaded the previous night by 9:00pm.
5. The worksheets can be either printed or if access to a printer is limited, they can be copied and done in a notebook.
6. All the work done should be kept neatly in a folder.
7. Each day will have a fun activity for your child called the 'Daily Prompt'. Doing it is not mandatory, but we urge you to do it every day and email it to us at your convenience.
8. Most worksheets and concepts will have an introductory AV link to it. Kindly watch that link before you attempt the worksheet.

9. The art activities are simple and can be done with things that are readily available in our homes. Please do not bother to get supplies from the market in case you do not have something.
10. We have added links to a few interesting stories in the plan. However, nothing can replace reading an actual storybook with your child.
11. The school activity teachers have recorded short sessions for the children which will be uploaded together with the work daily.
12. A Google Hangout session will be held every Friday with the class teacher. The link will be shared with the Parent Rep a day before.
 - Prep session will be held at 11:00 am
 - Class 1 session will be held at 10:00 am
 - Class 2 session will be held at 9:00 am
13. In case there are any questions regarding the work given, please email your class teacher.

Regards

Junior School
