

## **ISFO - A Truly International Olympiad**

**Science Olympiad** aims into turn Science into a practical, application based concept which can be explorative and adaptive rather than structured.

The Science Olympiad conducted by ISFO aims to recognize the raw scientific fervour and talent within students at formative age. Working in tandem with ICSE and CBSE boards, Science Olympiad aims to test the students not only on their theoretical knowledge of the subject but the creative applications of its concepts as well. The exam is for students of classes I to Xth. Given the extraordinary times we are living in, due to Covid-19, ISFO has decided to take the Olympiads online and have enabled direct registration by interested candidates.

Students will appear for the exam **online from home**. The exam will be conducted on **Sunday (6<sup>th</sup> December 2020)**. Details of timings etc will be intimated by ISFO to the participants via message and email provided at the time of registration.
