20<sup>th</sup> June, 2020

Dear parents,

Our top priority at Sanskriti is the health and wellness of our students. It is the foundation of everything we do. Amid the ongoing concerns about the spread of corona virus Covid 19, we are certain that you are taking all the measures for ensuring the health and safety of your family.

The school would be reopening on 6th July, 2020. We are proud of the way our students have adjusted and adapted themselves to remote learning. So, as we continue our preparation of creating virtual lessons we have put together exercises for our young learners to enhance their learning and recall of concepts taught in class in the Smart Skills Booklet. Please find the schedule for picking up the smart skills booklets from school below.

We request you to adhere to the schedule below to pick up the books. Also please carry your wards ID card, as books will be issued against the ID card.

We will have all measures in place to ensure social distancing we request you to also follow all norms and make sure only one person comes to pick the books.

On the day listed below the Book Shop will also be open for those of you who may not have purchased your kits till now.
