**Matific Junior Maths Championship** to be held on 11th & 12th August 2021. This is **India's First Online Gamified Maths Competition**.

The friendly Maths competition ( **for students of class III - VI** ) provides a great opportunity for children to practice Maths, boost confidence, and develop a growth mindset in the subject. With **no registration fee, free access to the platform** to educate and prepare for the competition, it is a great way for students to revive their interest in Mathematics in the comfort of their homes.

The winning class and students will be further lauded with certificates and medals, inspiring them to stay motivated towards the subject.

Following are the important dates and links to register. Parents are requested to register their ward and encourage them to participate.

**When?**

**Registration:** 15 July - 8 Aug 2021

**Practice Round:** 9 - 10 Aug 2021

**Competition:** 11 - 12 Aug 2021

**Registration Link:** [www.matific.com/in/en-in/home/matific-olympiad](http://www.matific.com/in/en-in/home/matific-olympiad)

Here is a [booklet](#) on the Junior Mathematics Championship for more insights. We look forward to active participation from our students.
