

## Assembly

### Grade 1 – A

***“ Spring adds New Beauty and New Life to all that is. “***

Children of Grade 1 A presented an assembly on 13.02.20 in the Junior school courtyard. The assembly was based on Spring Season and the happiness it brings along with it. The children talked about the beauty of nature , the flowers and the greenery that is seen during this season and how we can learn from nature and its ways. They narrated a poem on Spring time and sang a melodious song too. Three cheers to the children of Grade 1 A and the teachers for putting up a great show for us today.
