DESIGN SHOW

2021

Dear students
Use your creative skills to design and make a standing, hands free Sanitiser dispenser using household/simple material.
The best entries :
*will get a certificate
*will be displayed on the Sanskriti School website with the name of the child
*will be used in the school with their name on it as the designers.
Let your imagination hover on the Universe and pick up the most user friendly HANDS FREE sanitiser

submit an mp4 file showing the working of your design by Feb 25th in your CTIP-GC
